

## **Photo Contest on the Environment**

Objective: Take part in a photo contest on the theme of the environment to share your concern and your hope for an issue that affects us all. This contest is open to everyone, whether you are a student or a staff member.

How to participate: Take a picture on the theme of the environment. Submit your photo (.jpeg), alongside a post (150 words max.) and a mini-biography (about 60 words) (.pdf), in English or in French. The picture should be 12 MP minimum.

Deadline: Send your photo by **December 10, 2024** at this address: [iutlongwy-communication@univ-lorraine.fr](mailto:iutlongwy-communication@univ-lorraine.fr)

Beware: No montage and no AI image will be allowed. If people are shown in your picture, this should be done with their consent.

Prize: An online exhibition will be organised with the photos selected by the jury. The best photo will be printed and exhibited in the main hall in the MT2E department.

Jury: This photo contest is organised by the 2<sup>nd</sup> year students of the Bachelor in Ecological and Energy Transition.
